## Report of the management committee for the year ended 31st March 2025

The committee of management, who are also the charity trustees, present their report and the financial statements for the year ended 31<sup>st</sup> March 2025.

#### Principal activities and objectives

The objective of Aberdeen Care & Repair Group is the promotion of the welfare of the older and/or disabled persons resident in the Aberdeen City area in respect of housing and other relative matters, including promoting and running various services. The charity does not employ staff but can apply for staffing and running costs for specific purposes which is transferred over to the service to deliver.

Unrestricted funds raised by the Group can be used to provide grants to individuals to assist them to carry out repairs, improvements and or adaptations to the home, supporting clients to stay in their own home. The Group Fund also purchases security, safety and dementia friendly equipment, which can be supplied and fitted free of charge to vulnerable households as a result of a Home Assessment.

Committee approval is needed to allocate unrestricted funds. Staff submit a grant application for up to £1000 for individuals who meet the set criteria. The Group Fund is used as a last resort for individuals with staff approaching work or health related charities for each individual in the first instance.

Hardship grants are also provided from unrestricted funds to assist with small repairs. Grants of up to £500 can be authorised by staff from initiative funds following our Guidance Procedure, but anything above this level requires committee approval.

The Group Fund has raised funds for specific projects, and these are restricted for the sole use of that project. Funds have been raised from local companies, trusts and charities. The funds that are available relate to:

- Safety/Security/Gardening
- Energy Efficiency
- Support for Carers/Young Children
- Gas Safe
- Home Maintenance Fund
- Boiler Replacement Fund
- ESF Grant Fund
- Gas Boiler Fund

- Minor Adaptations
- Decoration Fund
- Homesafe
- Dementia
- Electrical Safety
- Cost of Living Fund
- Equipment Fund
- Dementia Fund

The project manager is in day-to-day control of the running of the charity & has delegated authority for operational matters.

#### Grant making policy

The guidelines for grant making were reviewed in August 2023 and committee agreed to increase the income levels to £212 and £323 respectively. These figures were reviewed in April 2025

- (1) Applicants should.
  - have limited income, generally not exceeding £212 per week for a single person and £323 for a couple, excluding housing costs and disability benefits. All other avenues should be explored before the case comes to committee
  - be in financial hardship
  - be over 60 years of age or be disabled or be suffering chronic ill health.

# Report of the management committee for the year ended 31<sup>st</sup> March 2025 (*continued*) Grant making policy (*continued*)

- have limited capital and
- generally, be owner occupiers or tenants of a private landlord
- (2) Priority will be given to repairs where: -
  - the lack of repair will lead to a serious risk to health and/or safety.
  - the client is likely to suffer hardship unless financial help is given
- (3) Payment will be made to the contractor subject to the appropriate mandate being in place.
- (4) There should be no other appropriate source of financial help available, but where such other source can meet only part of the cost of a repair then a grant up to the agreed maximum will be considered.

### Review of period

The aim for the period under review was to ensure the principal objectives of the Group were met & to position the Group so that the organisation was ready for the challenges to be faced in future years, when the statutory funding regime changes.

Some of the activities of the Group in 2024/25:

- We approached individual trusts, organisations, and charities for donations. Each year we have companies/trust that donate annually although applications must be made. During this financial year £18,965 was raised through these sources for various purposes.
- We applied for funding to provide grants from our initiative funds. Companies/Trusts indicate
  their preferred area of support, others make a general allocation, and funds are distributed
  across the various initiatives. A total of £19,000 was raised and spread across the various
  initiatives.
- Applications were made to 5 funders for staff revenue costs. To date we have been advised that 3 of these applications were unsuccessful: Smart Energy GB, ACVO (Mental Health and Community Fund), SSEN Community Fund. We still have to hear about applications to NHS Community Fund and Foyle Foundation. Results are expected from April to June.
- An application was made to the Electrical Safety Council for grant funding to provide grants to people in relation to electrical safety. £5,000 was awarded with specific criteria set by ESC.
   To be considered for this grant a pre-and-post survey of the electrical work has to take place.
- The group allocated £30,000 from the Affordable Warmth Loan Fund to charity to be used to replace central heating boilers for customers who met the agreed criteria.
- The group allocated £15,000 from the AFW Loan Fund to be spread across various initiatives.
- Applications were made to 2 new charities this year for equipment to provide free of charge for vulnerable householders who have received an early intervention survey. A total of £6,137 was raised.
- An annual report for the charity was produced and circulated to our supporters and shared on our website and Facebook page.

# Report of the management committee for the year ended 31<sup>st</sup> March 2025 (*continued*) Review of period (*continued*)

An application form for initiative grants was introduced this year to ensure transparency and accountability when authorizing grants. Using this system allows us to provide reports to the Management Committee on grant awards. These are provided at 6 monthly intervals.

Over the last few years, the charitable fund has actively promoted and supported relevant services, particularly our energy efficiency, minor aids, decoration, support for carers and disabled children, safety and security projects, Homesafe, Electrical & Gas Safety initiatives and Equipment. An application to Foundation Scotland for Gas Safety Funding was successful again this year, along with an application to Electrical Safety Council. Both have specific household criteria and scope of works that need to be met to qualify for a grant with the Electric Safety Grant requiring an online survey to be completed for every grant awarded. Applications were made to 2 new charity's this year specifically for equipment. These were NHS Independent Living Fund (£3937) and Trades Widow Fund (£2200).

The charity is helping more households annually. We are seeing changes with a wider group of clients identifying as being in financial hardship due to the recent cost of living increases. People are not carrying

out large repairs/improvements unless in relation to health and are doing temporary fixes or just ignoring the need. Requests are coming in for low-cost items/equipment from people who cannot afford to purchase items to support them living independently. Quarterly reports are provided to Management Committee on level of funds and number of grant awards for monitoring purposes. The introduction of an application form for grants allows us to report on household type, income level and what the grant award was for, giving Committee member more detailed information. Without the support of the organisations/companies list below we would be unable to deliver these projects:

Source	Purpose/Initiative
FILT - Gas safe charity	Gas Safety fund Year 11 & 12
Health Improvement Fund	Equipment
Transfer from CHA AFW loan fund	Boiler Replacement Fund
Mackinnons - Caroline Jane Spence fund	Minor Aids, Safety and Security, Support for Carers
ASPC	Safety & Security
Trades Widow Fund	Equipment
Electrical Safety Council	ESC Electrical Safety Fund
The John Gordon Charitable Trust	Minor Aids
Caroline Jane Spence Trust	Decoration/Electrical Safety
Miss Violet M Lessels' Trust	Minor Aids
The Thomas Primrose Trust	Safety/Security
George Crombie Trust	Electrical Safety & Safety Security
Transfer from AFW Loan Fund	Minor Aids, Support for Carers, Safety & Security, Electrical Safety, Cost of Living Fund

#### Report of the management committee for the year ended 31st March 2025 (continued)

#### Constitution

Aberdeen Care & Repair Group is an unincorporated association governed by a constitution adopted on 20th April 2012. The constitution was reviewed and revised in 2024.

#### Management and administration of the charity

A committee of volunteers who receive no emoluments or expenses for their services manages Aberdeen Care & Repair Group. The day-to-day administration of the charity is carried out by the staff of Castlehill Housing Association Ltd as part of its Care & Repair programme of activities and the value of the service provided is shown as intangible income in the Statement of Financial Activities on page 9. The other administrative costs are audit fees and the purchase of charity publications. This allows for maximum benefit to go to clients from the funds raised.

The committee consists of up to 18 members, with nominations accepted from the following sources (maximum representatives allowed):

Aberdeen City Council 4 (Staff and Councillors)

Castlehill Housing Association 3 (2 staff members & 1 committee member)

2

Third Sector Health & Social Care Partnership

Individuals nominated by other

Independent organisations/or service user 6

New committee members are issued with the policies and procedures documentation (referred to in the risk management section) in order to acquaint them with the day-to-day workings of the Group.

### **Principal funding sources**

The principal sources are contributions by clients and charitable donations from vocational charities & trusts.

#### Review of the 2024/25 financial year

It is acknowledged that external factors have changed and will continue to change the scope of the activities of the Group - the reduction of both statutory funding and the level of funding that charities can now provide is reducing year on year. We target funders for particular projects and invest time in completing applications, as well as researching relevant funders on a regular basis to identify relevant sources. The reduction in service provision, the cost-of-living increase and the ageing population means that there will be a greater call upon the charitable fund now and in the future. This year has shown an increase in the number of applications for assistance.

In response to these more challenging conditions, the Group has taken the following action:

- Applications were made to existing/and or new funders in 2024/25.
- Applications were made to 5 external funders for revenue costs
- Application form for Care and Repair Initiative Grants was introduced
- 6 monthly reports on Grants awarded/committed was provided to Management Committee
- Produced an annual report for the charity, which was included in the services annual report
- Rebranded Service and Charity in line with funding changes.
- Introduced an induction pack for new committee members
- The charity was promoted on our digital platforms
- Service staff attended events promoting charity and service

## Report of the management committee for the year ended 31st March 2025 (continued)

#### Risk management

The Group has a set of policies and procedures that are adhered to. These policies are under constant review.

### **Future plans**

Committee members have decided to undertake the following work during financial year 2025/26:

- Increase/maintain the level of membership of management committee
- Continue to apply for funding for our initiatives.
- Continue to apply to external funders for a contribution towards the security, safety and dementia friendly equipment
- Make application to funders for project funding to enhance services
- Produce an annual report for the charity for 25/26
- Produce 6 monthly reports for Management Committee on grant allocation statistics
- Promote the work and assistance the charity provides to a wider audience
- Review the Guidance for grant allocation by Committee Members
- Increase the promotion of the charity and service on digital platforms

#### Reserves

The balance of unrestricted reserves as at 31<sup>st</sup> March 2025 was £11,666. The committee believes that a level of reserves equivalent to at least 12 months' expenditure is desirable.

The board will continue to monitor the position and ensure that no significant deterioration occurs.

#### Investment policy

During the year interest was received totalling £1,424 from monies put on deposit in a Virgin Money one-year fixed term deposit account.

## Report of the management committee for the year ended 31st March 2025 (continued)

# Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statement in accordance with applicable law.

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- o select suitable accounting policies and then apply them consistently.
- o observe the methods and principles in the Charities SORP.
- o make judgments and estimates that are reasonable and prudent.
- o prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

David Lappin
On behalf of the Committee

6 August 2025

#### INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ABERDEEN CARE & REPAIR

I report on the financial statements of the charity for the year ended 31 March 2024 which are set out on pages 9 to 13.

#### Respective responsibilities of trustees and examiner

The charity's Trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the Act) and the Charities Accounts (Scotland) Regulations 2006 (the Accounts Regulations). The Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

#### Basis of independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

#### Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the Accounts Regulations; and
  - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Accounts Regulations have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

# Notes to the financial statements for the year to 31st March 2025

#### 1 Principal accounting policies

The principal accounting policies of the Group are set out below. The accounts are prepared on an accruals basis in accordance with applicable accounting standards. The accounts comply with the revised Statement of Recommended Practice for Charities, the Charities SORP 2005, applicable UK Accounting Standards and the Charities Accounts (Scotland) Regulations 2006.

#### Treatment of incoming resources

All incoming resources other than bank interest arise from activities in furtherance of the Group's objectives. Income is recognised in the accounts from the date on which funds are pledged to the Group, or notification is received of intention to award grant funding. As the costs of administering the Group's activities are limited to audit fees and insurance charges, which can be met from investment income, and staffing costs which are provided as an in kind donation by Castlehill Housing Association Ltd, the Group does not undertake any activities to generate funds for supporting administrative services.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees.

#### **Restricted funds**

Restricted funds are funds raised specifically for particular projects. These can include contributions from clients towards the cost of work carried out as well as donations or grants from external agencies. Restricted funds may only be put towards the cost of the job for which they were raised. The majority of the Group's income during the period was in the form of restricted funds.

### **Unrestricted funds**

Unrestricted funds are donations of a general nature received by the Group from individuals, charities and trusts. These donations do not specify a particular client or job of work being supported and so are available for use at the discretion of the Group. It is from these accumulated funds that the Group makes grants and hardship awards to individuals. Homeowners over the age of 60 and persons with disabilities may be eligible for an award, subject to meeting income and savings criteria set by the committee and reviewed annually. The value of grants awarded but not yet paid out at the year end is shown within sundry creditors.

#### Going concern - basis of accounts preparation

The committee of management, having made due and careful enquiry and review of the annual forecasts prepared, are of the opinion that the Group has adequate working capital & are satisfied that these accounts should be prepared on a going concern basis.

# Notes to the financial statements for the year to 31<sup>st</sup> March 2025 (*continued*)

#### Investment income

Sufficient working capital is held in the Group's main current account at Virgin Money to cover day-to-day transactions.

#### 2 Taxation

The Group is recognised by HM Revenue & Customs as a charity and as a consequence of the tax reliefs available in relation to current year income is not liable to taxation.

## 3 Related party transactions

Aberdeen Care & Repair Group has a close working relationship with Castlehill Housing Association, a registered Scottish charity in Aberdeen.

Castlehill provides staffing, office facilities and administrative support to the Group. There is a balance included in administration costs of £1,000 (2024: £1,000).

The charity trustees were not paid or reimbursed expenses during the year and no charity trustee received any emolument or payment for professional or other services.

#### 4 Governance costs

This includes independent examiner's remuneration of £1,200 (2024: £1,200).

# 5 Creditors due within 1 year

	2025 £	2024 £
